Subject: Extension Request Granted, Western Rock Company, Nichols Pit,
M/021/039, Iron County, Utah

Dear Mr. Roth:

On November 21, 2006 we received your letter requesting a nine week extension to furnish your response to the Division's initial review of your Large Mining Plan for your Nichols Pit. You have requested this extension because you needed additional time to gather the additional material requested by the Division.

Given the extenuating circumstances, the Division hereby grants your extension request. Please provide your response by January 31, 2007

Thank you for your continued cooperation.

Sincerely,

A handwritten signature in cursive script that reads "Susan M. White".
